About the Lake

The Hasliberg Bathing Lake is located directly on the Panorama Trail Brünig-Hasliberg Reuti, above the Twing-Käserstatt valley station, and offers ideal conditions for a relaxing summer day. While children play in the sand, build castles, and enjoy the water, adults can appreciate the impressive views and tranquil atmosphere. The spacious sunbathing lawn, comfortable wooden loungers, and free-to-borrow sunshades invite you to linger.

The bistro offers a selection of freshly prepared dishes and beverages. Hotdogs are particularly popular, whether classic versions or refined homemade variations - you'll find it. Additionally, crisp salads, fries with various dips, a selection of chilled drinks and ice cream are available.

Arrival and Parking

There are no parking spaces directly at the lake, and access by car is prohibited. Parking is available at the valley station of the mountain railways and in the Twing parking garage. The footpath leads directly behind the gondola station to the lake (approximately a 5-minute walk).

Summer Evenings at the Lake

The summer evenings organized by the Hasliberg Village Commission will take place again this year on Thursdays. Enjoy musical entertainment with a view on July 9, July 16, July 23, and August 6, 2024.

On 1st of August, the grand celebration will be held at the lake.
